

AGAMPREET SINGH

LEAD SOFTWARE ENGINEER (7.5+ Years)

EDUCATION

B.Tech (CSE) 2014-2018
Guru Nanak Dev University

TECHNICAL SKILLS

Development

- JAVA: **Springboot, Hibernate, MySQL, REST, Microservices, Maven**
- JavaScript: **Node.js, Angular, Vue.js, Express.js, Sequelize**
- Designing: **HTML, CSS, Bootstrap, Photoshop**
- Version Control: **Git, SVN**
- Tools: **Redis, Graphana, NewRelic, Keycloak, AWS Lambda, Azure EventHub, Kafka**

Programming Languages

- Java (Proficient)
- JavaScript (Prior Experience)
- Python (Basic)
- Scala (Basic)
- C/ C++ (Basic)

Additional Interests

- Progressive Web Apps
- Unity
- Game Development
- Web3
- Graphic Design
